ANNUAL UPDATE FROM RETAIL STRATEGIES

Kam South and Stephen Dendy were present from Retail Strategies to give an update on their business recruitment progress for the past year.

ORDINANCES

Jennifer Shotwell was present to speak about the ordinance. She said the government shut down that just recently ended has stalled their funding, which runs on reimbursement programs. She said the end of November will mark four months that they have been waiting for invoices to be paid. She said last year in the four county area they serve they provided almost half a million meals and in Carl Junction they provided nearly 9,600 meals and delivered just as many to residents in the area. She said they serve about 35% of the age eligible population for the area. She said State of Missouri Department of Health and Senior Services has said it will be about eight weeks before they have access to the federal funding they will need to reimburse invoices. She said the minimum wage went up by \$1.40 for 26 employees over the last year which has taken the majority of their reserve funds. She said this MOU is the same presented to Webb City, Joplin, and Neosho which would allow the city to provide them funding to cover the wages for the employees and food costs to keep the center feeding the seniors.

David Pyle motioned to put “**AN ORDINANCE APPROVING A MEMORANDUM OF UNDERSTANDING BY AND BETWEEN THE AREA AGENCY ON AGING, REGION X, AND THE CITY OF CARL JUNCTION, MISSOURI, TO PROVIDE TEMPORARY ASSISTANCE THROUGH A SHORT TERM REPAYMENT PLAN TO PROVIDE NUTRITION PROGRAMS IN THE CITY OF CARL JUNCTION IN AN AMOUNT NOT TO EXCEED \$2,750.00 PER WEEK; PROVIDING THE TERMS AND CONDITIONS THEREOF; AND AUTHORIZING THE CITY ADMINISTRATOR AND/OR MAYOR TO EXECUTE SAID MEMORANDUM OF UNDERSTANDING**” on first reading by title only. Bob McAfee seconded. All in favor. No opposed with two absent.

Discussion: Hollie LaVigne asked if they had received donations and Jennifer Shotwell said yes and that is how they’ve managed to stay open this long. She said now they expect the funding to run out around December 8. She said they are also working with Governor Kehoe on getting some other funding released.

David Pyle motioned to put it on second reading. Roger Spencer seconded. All in favor. No opposed with two absent.

Carole Wofford asked if the pump that had broken at the WWTP was fixed yet and Harvey said there was a lead time of eight to thirteen weeks for the parts.

Alaina Wright said the way the days in November fell, that just like last year the only way to do disconnections for non-payments of water services would be to do them on Wednesday November 26th, which would leave those without water off for four days over the long holiday weekend. The consensus among the members was to once again not do water disconnections for November bills.
